Rajiv Makhni
Managing Editor, NDTV

Israel, considered the Start Up Nation of the world, with cutting-edge solutions, is helping India in technology development for easing congestion on roads, hazard mitigation and drone technology.

H.E. Naor Gilon
Ambassador of Israel to India

The Convergence India Expo proved to be an invaluable platform for Ashtel Group and it's brands, allowing us to present our exceptional range of products to a diverse Indian & global audience.

Abdul Riyaz
Managing Director, Ashtel Group

The expo allowed us to showcase our advanced products, like WiFi 6 ONT "Moksha" – based on MayaOS – which will continue to set new standards of staying digitally connected and help operators deliver the best in the Wi-Fi experience market.

Rahul Thakur
Director, Software Development, GXGroup

INVESTOR STARTUP MEET

- In line with our commitment to fostering start-ups, a Business-Investor meet was organised during the event where over 200 start-ups participated in one-to-one meetings.
- More than 100 investors engaged with these start-ups, who presented a wide range of innovative solutions across various technology sectors.
- This platform facilitated valuable connections and discussions between start-ups and investors, paving the way for potential collaborations and investments.

STARTUP PITCH COMPETITION

In its 3rd edition of StartUp Pitch Competition jointly organized by Dubai World Trade Centre (DWTC), Expand North Star and Exhibition India Group, the event received an overwhelming response with over 100+ entries for the Pitch Competition. Top 10 startups made their pitch on spot during the expo in which Proxgy emerged as clear winner. Proxgy was awarded an extraordinary prize— fully sponsored spot to exhibit their products at Gitex Dubai and Gitex Morocco and was honoured with Prem Behl Excellence in Innovation & Entrepreneurial Spirit with award of 1 lakh cash reward.

KEY HIGHLIGHTS OF STARTUP HUB PAVILION 2023

- Supported by Invest India
- In collaboration with the Department of Science & Technology, Govt of India; Kerala Startup Mission; StartinUP & Startup Odhisa, 182 Startups showcased their vision of the future – with solutions ranging from Smart ICT, IoT, AI, Fintech, Telecom, IT, Smart Energy & Green Energy
- High Powered Panels, with 30 leading voices from the Startup ecosystem
- 100+ entries received for the Pitch Competition, sponsored by Dubai World Trade Centre & Exhibitions India Group
- Dedicated Startup – Investor meet witnessed over 120 investors, with 220 one-to-one meetings.
